

20016 Hickory Twig Way • Spring, Texas 77388 • Phone: 281-443-2080 •

- **ABB Critical Power Products:** [UPS Systems](#) | [ABB](#): UPS, Distribution Units (PDUs), Active Voltage Power Conditioning Systems (PCS) Remote Power Panel (RPPS), with and without distribution, all available with Fault Guard.
- **ABB Cyberex Static Switch Products:** [Cyberex SuperSwitch 4](#): Digital Static Transfer Switch - Static switches | ABB 200-4000 AMP Digital Static Switches Designed with True Fault-Tolerant architecture.
- **ACT:** [ACT Communications](#): High-energy surge-suppression systems for industrial and commercial applications.
- **BTECH:** [BTECHinc.com](#): Critical Battery Monitoring Systems for all types of Battery requirements.
- **EAE:** [EAE](#) is a world-class designer & manufacturer of flexible & reliable, indoor and outdoor, overhead busway power distribution and monitoring systems ranging from 160A to 6300A, serving every power distribution need for a given facility.
- **POWERSMITHS Socomec Group:** [Powersmiths.com](#): Data Center, Mission Critical and Specialty Applications. High Efficiency Transformers with significant life-cycle energy savings from its ultra-low loss E-Saver transformers, Cyberhawk advanced power meters, and integrated power distribution products, including Energy Station PDUs for data centers.
- **STACO:** [Staco Energy Products Co](#): Power Factor Correction and Harmonic Mitigation Systems, Power Conditioning Products
- **Trystar:** [Trystar.com](#) Single Phase & Three Phase Emergency Lighting Inverters and Egress Lighting Solutions (550watt – 33kW). Single Phase 4KVA -15KVA Industrial UPS Systems.
- **XTREMEPOWER:** [Xpcc.com](#): Xtreme Power Conversion Corporation designs and delivers power quality and data center solutions that solve real-world customer problems while providing the best cost to performance ratio in the industry
- **C&C Power:** [ccpower.com](#) -Stored Energy Systems Automatic DC Power Supply/Charger 24 VDC, 48 VDC, 120 VDC, 240 VDC Systems, UPS Maintenance Bypass Switches, Battery solutions
- **VYCON:** [Vyconenergy.com](#): DC Energy Storage “Flywheel” to provide highly reliable protection for mission-critical applications.
- **Accredited Fuel Solutions:** [afs-fuel.com](#): Fuel Management Systems and Services that combat tank and fuel contamination in Aboveground (AST) and Underground (UST), subbase and day tanks.
- **Maintenance and Service:** Provide preventative maintenance, testing solutions and service for:
UPS (Uninterruptible Power Supply Systems), Batteries, Chargers, Surge Protection Devices/TVSS, IR inspections, AC/DC Load Banking, Coordination Studies and Power Quality Surveys.
